A hand-drawn timeline diagram showing the sequence of events from SOLO to SOLO V. The timeline is represented by a horizontal line with vertical dashed lines indicating specific points in time.

- At the start, there is a section labeled "SOLO" above "Dale".

- Following Dale, there is a bracketed section labeled "Rossini 1'18" with an arrow pointing down to the timeline.

- After Rossini, there is a section labeled "COME IN AFTER ROSSINI COLLECTIVE IMPROVISATION ≈2'".

- Following this, there is a section labeled "HUSTEN" with two "cough" marks and a duration of "3'18" above it.

- After the hustles, there is a section labeled "HUSTEN" with two "cough" marks and a duration of "3" above it.

- Following the hustles, there is a section labeled "door TÜR" with a duration of "33" above it.

- After the door section, there is a section labeled "YEAH" with musical notation.

- Finally, there is a section labeled "SOLO V" at the end.

- On the far right, there is a vertical column of letters: AB, PE, PI, AA, UL, SL, E.

- Below the timeline, there is a section labeled "(in sync Synchron)".
